

REMARKS

The Notice of Drawing Inconsistency with Specification dated November 16, 2007 has been received and carefully noted. The above amendments to the specification, and the following remarks, are submitted as a full and complete response thereto.

The Notice of Drawing Inconsistency indicated that Figure 39 is contained in the Drawings but not listed in the Brief Description of the Drawings section of the specification. The enclosed substitute Specification includes an amendment to the Brief Description of the Drawings section to indicate that "Figure 39 illustrates an example of the memory management configuration and method." No new matter has been added. Figure 39 is discussed in the Detailed Description section of the originally filed Specification at least on page 78 thereof.

Applicants respectfully request entry of the enclosed substitute Specification and request that the application be passed to issue.

In the event this paper is not being timely filed, the applicant respectfully petitions for an appropriate extension of time. Any fees for such an extension together with any additional fees may be charged to Counsel's Deposit Account 50-2222.

Respectfully submitted,
